Alec Brook-Krasny Stands Up For You

Our community is a great place to live, and I spent this year working to make it better. I support several initiatives that would continue to improve the lives of everyone who lives here. Here is just a small part of what I have been working on:

SAVING YOU MONEY: Establish a sales tax pause on motor oil, household essentials, grocery items, and more (A.1690)

CREATING BUSINESS OPPORTUNITIES: Establish an incentive for manufacturers to do business in New York and bring workers back to our state (A.2271)

SUPPORT LOCAL BUSINESSES: Provide vital grants and other forms of assistance to small businesses (A.3626)

IMPROVING EDUCATION: Create a “Learning for Work” program for 11th and 12th graders that combines classroom coursework with mentored on-the-job training (A.3200)

To get in touch with Alec and his staff about state issues, please contact either one of his district offices:
