ASSEMBLYMAN WILLIAM COLTON WORKING FOR SENIORS

Colton Meeting With Neighborhood Seniors

Assemblyman Colton has been visiting Senior Centers throughout our neighborhood, listening to seniors' concerns, views, and experiences, as well as providing updates on senior benefit programs and services provided by Colton's District Office.

Colton Advocating for Senior Safety and Quality of Life

Assemblyman Colton is committed to supporting seniors in the neighborhood by obtaining funding for senior centers, fighting to keep health costs lower, working with police to protect public safety, and serving thousands of seniors at his Community Office at 155 Kings Highway in applying for senior benefits. Colton's office successfully helped seniors apply for Reduced Fare MetroCards, renew Section 8 and Food Stamps and other benefits, apply for SCRIE and DRIE rent freezes, obtain STAR realty tax benefits, apply for HEAP and Heart Share energy benefits, health insurance, and many others.
