

**Weekly Report from Assemblyman Charles D. Fall
August 19, 2021**

District 61 News

RUMC Funding Announcement

Last week, Assemblyman Mike Cusick and I announced funding for the Cure Violence team working at RUMC to help curb gun violence in the North Shore. We stood with Dr. Daniel J. Messina, President, and CEO of RUMC, the Cure Violence team, and several other leaders, at the ambulance receiving area at RUMC where their team meets far too many victims of senseless shootings. This funding is a commitment to confronting this epidemic of gun violence head-on every step of the way and I am proud that we were able to secure it.

UAU Student Visit

It is always a pleasure to revisit my roots and step back to where it all started. PS 44 has always been a second family and I was excited to visit some of our students last week at the school. Students from both

PS 44 and PS 20 were attending the UAU camp and I got to see the wonderful activities our youth was participating in. Thank you to UAU for the invitation and for always providing our students with quality programs.

Summer Mobile Office

I am excited to announce that our Summer Mobile Office is back in full force. Every Monday, Tuesday, and Thursday my team will be out in the neighborhoods of the 61st Assembly District supporting our community. If you spot our blue tent, come over and say hello.

Updates from Albany

Update on the Governor's sexual misconduct case.

On Tuesday, August 10th, Governor Andrew Cuomo announced that he would resign from office due to further investigations into his sexual misconduct and intimidation charges. The resignation officially goes into effect at midnight, August 24th where Lieutenant Governor Kathy Hochul will be sworn into office as the 57th and first woman governor of New York State.

- The Assembly Judiciary Committee held a meeting in executive session to address the NYS Attorney General report on the investigation of Governor Cuomo's sexual misconduct.
- Although it was established after the Judiciary meeting that the investigation would continue and articles of impeachment were imminent soon, it was determined the Assembly's impeachment process would be suspended after the Governor announced his resignation.
- However, the Judiciary Committee will continue to review the evidence and issue a final report on its investigation of Governor Cuomo.
- In doing so, the committee will take all appropriate steps to ensure that this effort does not interfere with various ongoing investigations by the United States Attorney concerning nursing home data, the State Attorney General concerns with the Governor's memoir and local law enforcement authorities in five jurisdictions regarding possible criminal incidents of sexual misconduct.

FORECLOSURE PREVENTION NETWORK

Legal Services NYC
REBUILD JUSTICE

Since 2007, Legal Services NYC's Foreclosure Prevention Network has assisted nearly 17,000 New York City homeowners facing foreclosures. With community-based foreclosure prevention projects in our Bronx, Brooklyn, Queens and Staten Island offices, our dedicated team of nearly 40 attorneys and advocates provide critical legal services to homeowners navigating the judicial foreclosure process and fight to help them save their homes. LSNYC Foreclosure Prevention Network partners include non-profit organizations, housing counselors, social service agencies and local government. Our advocates conduct trainings, outreach and education activities in conjunction with community and government partners.

WHAT WE DO

Legal Services NYC's Foreclosure Prevention Network attorneys represent homeowners in foreclosure as well as in state and federal court litigation challenging predatory lending, abusive mortgage servicing, scams targeting vulnerable homeowners, and fair housing and lending violations. We are the largest group of free civil legal services attorneys that help NYC homeowners by:

- Representing homeowners in court-mandated settlement conferences
- Providing legal advice and pro se assistance to homeowners through court-based clinics
- Helping clients negotiate home-saving solutions
- Advocating for fairer lending rules, and for better enforcement of laws protecting consumers from predatory practices

CLIENT SUCCESS STORY

Ms. M., a 68-year-old Black homeowner, fell one month behind on her mortgage when she had to pay for her sister's funeral expenses. For one year, her mortgage company continued to accept her payments, but then her servicing was transferred to a new company. The new mortgage company refused to accept Ms. M.'s payments unless she could catch up on the one missed payment. For three years, Ms. M. tried to negotiate with her lender, but it refused to work with her even though she had sufficient income and was caring for her husband, who suffered from Alzheimer's disease. After being sued in foreclosure, Ms. M. was able to connect with Brooklyn Legal Services, who helped her negotiate a modification with a lower interest rate and more affordable monthly payment, saving her \$300 per month on her housing expenses and allowing her family to remain in their home.

@FORESTAVECOMEUNITYFRIDGE

WHO ARE WE?

We are a collaborative group, born and raised on the North Shore, who are passionate about addressing the health food disparity in our neighborhood of Mariners Harbor. The foundation of our initiative is "take what you need, leave what you don't" and "we keep us fed and healthy!" – in hopes of **creating a culture of unity, interdependence, community restoration and empowerment** in Mariners Harbor.

WHAT IS A COMMUNITY FRIDGE?

A Community Fridge is a fridge that provides **free and healthy food** for community members. The fridges offer access to fresh produce, healthy grains and perishable items to communities that do not have a lot of access to healthy food options.

HOW CAN MY BUSINESS HELP?

Your business can help by donating surplus food to our fridge or allowing us to purchase food at reduced costs.

WHY SHOULD MY BUSINESS/ORGANIZATION CARE ABOUT A COMMUNITY FRIDGE?

In recent political and racial events, many businesses and organizations are looking for ways to fight against racial inequity. Community fridges represent mutual aid – the idea that solidarity not charity is what communities need in order to become fairer and stronger. By donating food to our fridge, your business will be taking part in our ongoing movement for creating justice – first within our communities.
