# Protecting New York's Finest

I understand the important role our law enforcement takes on each day to keep our communities safe. To help preserve public safety and protect our brave men and women in uniform, here are policies that would help **Back The Blue:**

*Thank you all for your dedication and service to our communities.*

Increase the penalty for making a threat against a police officer (A.3274).

Give judges the ability to use more discretion to set bail on gun crimes (A.632).

Designate January 9 as Law Enforcement Appreciation Day in New York (J.30).

Require a mandatory life sentence without parole for the murder of police officers (A.592).

Require New York to provide record-breaking funding toward mental health services for law enforcement and correction officers (A.3003).
