Grace Lee:**

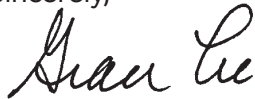

Dear Neighbor,

Here is your 2026 New York City Parking Calendar. It lists the days of the year that certain parking regulations are suspended.

Throughout the year, people stop me on the street to tell me how helpful they find the New York City Parking Calendar. It saves them time, money and the headache of having their car towed. Obeying parking regulations also helps with street cleaning and reduces traffic congestion.

Be sure to read all parking signs carefully. Drive safely, remember to buckle up and please let me know if I can be of help in any matter.

Sincerely,

A handwritten signature in black ink that reads "Grace Lee".

Alternate Side Parking

Alternate Side Parking (ASP) rules allow for street cleaning. Most ASP signs are marked with the “P” symbol with the broom through it and indicate the days and times parking isn’t allowed. Some metered parking zones have ASP rules. Each year, the city suspends ASP rules on certain legal and religious holidays. This brochure lists the holidays with suspended ASP for 2026.

The city may also suspend ASP rules because of snow, inclement weather or other emergencies. Visit nyc.gov/dot or dial **311** for further information. Deaf or hard of hearing TTY users, dial **212-504-4115**.

When ASP is suspended for a holiday or other reason, the parking meters remain in effect, and you must still follow any other posted parking time limits and rules.

Parking tickets

Parking tickets may be paid online via CityPay at nyc.gov/citypay, using the **NYC P-Ticket Pay or Dispute** app on your mobile device, by mail (make checks payable to "NYC Department of Finance") or in person at a DOF Business Center.
