FREE PAPER SHREDDING EVENT

Assemblymember Deborah Glick is offering a free and secure paper shredding event for the neighborhood. Safely disposing of sensitive documents help protect your identity.

Some things you might want to bring include: bank and credit card statements, contracts, medical records, budgeting/accounting information, old bills, receipts, pay stubs, and junk mail with your name and address, such as credit card applications or newspapers and magazines. No need to remove staples or paper clips but please do not bring plastic or documents in heavy metal clips.

This year we are delighted to provide a Clothing Swap in partnership with GrowNYC. An offshoot of GrowNYC's Stop 'N' Swap® community reuse program, the Clothing Swap offers New Yorkers the opportunity to bring clean and reusable clothing, shoes, and accessories to share with those who can use them. No one is required to bring clothing to take clothing.

Please reach out to my district office at **212-674-5153** or **glickd@nyassembly.gov** with any questions regarding this event or other concerns.
