### IN THE COMMUNITY

Assemblymember Bores toured NYU Langone's Steven A. Cohen Military Family Center with Senator Gonzalez.

The center provides groundbreaking care to Vets and their families, filling treatment gaps for our troops on the homefront.

The Assemblymember was honored to take part in the annual 9/11 remembrance on the Upper East Side.

Rain or shine, the community gathers to pay tribute to those lost, and stand unified against hatred and violence.

The Met Council does fantastic work feeding the hungry. Assemblymember Bores was proud to help prepare food for their high holiday distribution.

## TIRED OF HARASSING TELEMARKETERS CALLING? TAKE THESE STEPS TO PROTECT YOUR PEACE

### Step 1

Register your phone number on DoNotCall.gov. You may register as many numbers as you like.

### Step 2

After the 30 day wait period, report all spam and telemarketing calls to DoNotCall.gov. This crucial step will result in the companies being charged a significant fine per call, to disincentive them from continuing these calls.

## SUPPORTING LABOR

Assemblymember Bores marched in solidarity with our unions at this year's Labor Day Parade! As the son of two union leaders, the Alex knows that when workers win, we all win. The Assemblymember also attended the NYS AFL-CIO Labor Breakfast, where Governor Hochul signed into law three bills protecting workers, one of which ends wage theft in New York. Thank you to 32BJ SEIU for hosting!

## JEWISH BOARD SOCIAL WORK RECEPTION

Assemblymember Bores spoke at the Jewish Board's Social Work Residency Welcome Reception at UJA. The program helps recent MSW graduates kickstart their careers with a full-time salary and benefits over the course of a three year residency program.
