

The Bores Brief

Only have minutes to spare? Here's what you need to know:

- COMMUNICATION ANNOUNCEMENT**
 The Assembly restricts mailings and e-news communication near Election Day in order to keep elections fair. Because of this, no Assembly office will be allowed to send any broad communication after September 6th. **My next newsletter will be sent out in November.**
- I am hosting my yearly Town Hall on September 12th where I will take open questions from the audience. See details on the right and register here: bit.ly/AMBoresTownHall.
- The school year is starting soon and I hope everyone had a great summer. My colleagues and I secured **\$39.5 billion dollars towards NYS Public Schools in the budget, a \$934.5 million increase from last year.** I wish all the school teachers, administrators, and students a wonderful school year!
- Look out for our mailed yearly highlights in your mailbox soon!

My office is here to serve you. If we can ever be of assistance, write to us at BoresA@contactme.nyasassembly.gov.

Sincerely,

Alex Bores
Your Assemblymember

At the town hall meeting, you'll have the opportunity to:

Discuss issues that matter to you

Share your ideas and suggestions

Ask questions

IN THE COMMUNITY

Alex attended Jazz on the Plaza, a weekly summer concert series. Each lunch-hour concert was free and open to the public, with performances from an array of top jazz acts. The series was resuming for the first time since Covid.

Alex enjoyed listening to the Michael Howell Quartet's renditions of the music of Dizzy Gillespie.

Assemblymember Bores had a great time hanging out with the kids at the Vanderbilt YMCA's summer camp.

He was able to tour the facility, meet with administration, and get in on the fun. The Vanderbilt Y Is an amazing resource for our community!

REGULATING AI

Alex gave a talk in Chicago on how states are regulating AI, highlighting the need to balance the risks of the technology with its ability to provide government services faster. The talk was part of his ongoing work with the national NewDEAL AI Taskforce.

CELEBRATING OUR NEIGHBORS

Assemblymember Bores attended Chabad Sutton's Annual Benefit to celebrate the work that they do in the neighborhood.

He was honored to present Raizy Metzger with a NYS Proclamation for her years of dedication in our community.

The Assemblymember's team toured the Michael J. Quill Bus Depot and met with MTA officials. The visit allowed an opportunity to inspect efforts to modernize and upgrade the MTA's fleet of buses. This investment in New York's public transit system is critical to moving New Yorkers around the City and the achievement of our climate goals.

SUMMER OF LEARNING

Assemblymember Bores' office hosted 12 student interns through various internship programs this summer. The interns joined us from Hunter College, the Cornell ILR School, Muslim Volunteers 4 New York, the New York City Department of Youth and Community Development, and the Simon Wiesenthal Center.

The students received an immersive experience, which included learning how to research, draft, and edit legislation. They assisted with Alex's weekly subway stops and public events, and participated in weekly Lunch-and-Learns, learning about different aspects of public service. Our staff was blown away at the dedication and eagerness the students showed for learning all that they could. It was a great experience for all involved.

353 LEXINGTON AVENUE, SUITE 704
