A Message From Assembly Member Rebecca Seawright

Dear Neighbor,

I am pleased to announce the 19th Precinct will be hosting their annual Night Out at Carl Schurz Park on Tuesday, August 7th from 5:30-8pm. Since August 1984, National Night Out has been an evening to celebrate the relationship between the community and our police and law enforcement agencies. The event presents an opportunity to showcase neighborhood partnerships that successfully keep our community safe and to strengthen camaraderies within our district! We are most fortunate to have Commander Kathleen Walsh and her team at the 19th Precinct protecting our community. I hope you will attend the Night Out Festivities next Tuesday and remain involved by attending Monthly Community Precinct Meetings held at the Precinct House on East 67th Street. It takes a village to create and maintain an enduring and valuable relationship with law enforcement agencies that is nearly as successful as ours is here on the Upper East Side!

Please join us at one of our upcoming events:

- **Tuesday, August 7 – 4:00 pm - New! Seawright Housing Legal Clinic @ 1485 York Avenue**
- **Tuesday, August 7 - 5:30 pm - 8:00 pm - 19th Precinct National Night Out @ Carl Schurz Park**
- **Wednesday, August 8 - 10:00 am - 1:00 pm - Roosevelt Island Constituent Hours @ Roosevelt Island Senior Center, 546 Main Street**
- **Wednesday, August 8 - 10:00 am-11:00 am- AARP Fraud Prevention Seminar @ 1485 York Avenue**

Seawright proudly supports our local 19th Precinct along with all First Responders of New York City

I hope you find this update informative. Please stay in touch with my office about any issues that are important to you. As always, we are just a visit, call, or email away.

Sincerely,

REBECCA A. SEAWRIGHT

Our community office benefitted from a wonderful group of College and High School interns. These young women and men contributed to our community in a number of ways, conducting background research for legislation, representing our office at meetings and receiving constituents with community concerns. They showed sincere concern for our neighborhood and state, thoughtful analytical skills and a true interest in public service—we have been in good hands. Students joined us from the University of Pennsylvania, College of Charleston, Kenyan College, SUNY Stony Brook, George Washington University, University of Maryland and St. Andrews. High schools represented include Eleanor Roosevelt, Clinton, Bronx Science, Chapin, Lycee Francais, Hunter High, Brearley and Home School. We are proud to have worked with these fine students this summer. Our office is accepting applications for internship positions for the Fall Term.

Construction Updates

The New York Public Library

Dear Library Patron,

The New York Public Library's 67th Street branch is temporarily closed to facilitate emergency repairs. The 113-year-old library's second and third floor ceilings sustained serious damage last week as a result of heavy rain and strong wind; after a thorough inspection, necessary repairs have begun.

We are working diligently to reopen the branch as soon as possible and anticipate that we will reopen by Monday, August 13. We will update you as work progresses. You can also check nypl.org for the latest information.

We apologize for this inconvenience. In the interim, patrons can use the following nearby branches:

- [58th Street Library: 127 East 58th Street](#)
- [Webster Library: 1465 York Avenue](#) (holds will be sent here for pick-up)
- [Yorkville Library: 222 East 79th Street](#)

Please note: reserved items currently on the shelves at 67th Street will have their expiration dates extended and they will still be there when the library re-opens. Any new reserved items or items scheduled to be at 67th Street Library after Monday, July 30 will be re-routed to the Webster Library. Please call the Webster Library at 212-288-5049 to confirm that an item has arrived.

Thank you for your patience as we work to reopen 67th Street Library as soon as possible.

Best,

Sumie Ota
