

September 13, 2019

Rebecca Seawright

Dear Neighbor,

Every 10 years, the U.S. Census Bureau works to count every person residing in the United States. The results determine representation in all forms of government and funding, impacting all of our lives including public health, education and infrastructure.

In previous census counts both New York State and New York City were dangerously undercounted. The 2010 Census didn't count over 50,000 New York City residents due to an error that deemed their houses vacant, and hundreds of thousands more New Yorkers were uncounted. This resulted in the loss of billions of dollars in federal funding for hospitals, public schools, transportation, emergency services, and more. The undercount resulted in New York losing two congressional seats, limiting our state's influence in federal government.

As a member of the New York State Assembly's Manhattan Delegation, I am proud to cosponsor a series of job fairs to increase participation in the upcoming Census.

Downtown Job Fair - Wednesday, September 25 from 6:00pm-8:00pm-Pace University, Aniello Bianco Room, One Pace Plaza (Spruce Street/Frankfort Street)

Uptown Job Fair - Thursday, September 26th from 6:00pm-8:00pm- Hunter College Silberman School of Social Work - 2180 Third Avenue (East 119th Street)

We encourage you to come meet local outreach representatives for the 2020 Census to help you learn more about how you can take action in your community. Apply for Census takers and administrative positions with a starting rate of \$25/hour. The fight for a fairer census has to be a united effort to achieve the goal of making sure every New Yorker and everyone in the United States is counted.

Please join us at any of the upcoming events I am pleased to sponsor:

Roosevelt Island Shred-a-thon

Motorgate Turnaround, 688 Main Street
Saturday, September 14 from 10:00am-1:00pm
