Assemblyman Sayegh is a strong voice for our community

Assemblyman Sayegh is fighting for Yonkers' fair share of state education funding and changes to increase financial aid for renovating old school buildings and building new schools.

Assemblyman Sayegh is working to keep violent criminals off our streets. He supports changes to New York's bail laws to require bail for repeat and violent offenders. Assemblyman Sayegh has passed legislation to prioritize storm outage power restoration for first responders and residents who depend on in-home medical equipment (Ch. 727 of 2022 and Ch. 728 of 2022).
