

July Public Comment Period Notice
Senator Shelley Mayer & Assemblyman Steve Otis

**RE: Brownfield environmental clean-up of the former United Hospital property
406 Boston Post Rd, Rye/Port Chester border**

Dear Friends,

The NYS Department of Environmental Conservation has scheduled a new comment period to hear concerns and questions regarding the cleanup plan submitted by the owners of the former United Hospital property.

We are writing to make sure that you are aware of the comment period, have access to the related documents describing pollution on the site and you have an opportunity to comment before the DEC approves a final cleanup plan.

The comment period runs from July 21 through August 20, 2021

Please send your questions and comments to:

Proper cleanup of the site and how the cleanup process is conducted is important to protecting the public health on, and surrounding, the property. We want to see a safe cleanup and are both following this process as is the Village of Port Chester.

Please feel free to contact us with any questions on this or any other issue where we can be helpful.
