Strengthening the 93rd Assembly District

- ✓ **Successfully fought to restore public school funding** in the final FY2024-25 budget after proposed cuts by the Executive.
- ✓ **Maintained our commitment to New York's exceptional higher education institution**, including providing additional funding for SUNY and CUNY schools in this year's budget.
- ✓ **Protected our children with the passage of the SAFE for Kids Act (A8148A)**, which prohibits social media sites from using an addictive algorithm to deliver content to children without parental permission.
- ✓ **Passed legislation (A9330A) to protect home buyers** by requiring sellers to provide septic disclosure statements regarding operation and maintenance.
- ✓ **Provided state funding to our nonprofits and municipalities** so they can better serve the district residents.

**All funding from the 2024-25 Enacted NYS Budget*
