## ASSEMBLYMEMBER CHRIS BURDICK

### *Making the 93rd Assembly District Stronger*

- ✓ **Reducing middle-class tax rates** to the lowest levels in nearly 70 years.
- ✓ **Maintaining our commitment to student education** with robust educational funding, universal free breakfast & lunch for K-12 students, and a “bell-to-bell” ban on cell phones.
- ✓ **Safeguarding our environment** with \$425 million for the Environmental Protection Fund, as well as \$500 million for the Clean Water Infrastructure Act, and \$15 million for a pilot program for PFAS removal, for which I strongly advocated.
- ✓ **To address significant risks of artificial intelligence (AI) weaponization**, adoption of the Responsible Artificial Intelligence Safety and Education (RAISE) Act (A06453B), establishing AI safety standards and a safety plan to fend off such risks.

*\*All funding from the 2025-26 Enacted NYS Budget*
