KEVIN BYRNE: PROMISES MADE. PROMISES KEPT.

“We pay some of the highest taxes in the nation. Albany needs to take care of the basics, like fixing our roads and upgrading our infrastructure. That’s why I’m fighting in Albany to deliver for our community.”

—Assemblyman Kevin Byrne, Co-chair of Assembly Minority Conference Transportation and Infrastructure Task Force

- Successfully advocated for nearly \$4 million to support our local roads in every town throughout the district.
- Delivered an additional \$1.7 million for Route 6 repaving in the Town of Carmel.
- Delivered an additional \$1.8 million for Route 100 repaving in the Town of Somers.
- Delivered an additional \$100,000 grant for the Peaceable Hill Water District.
- Delivered an additional \$50,000 to support infrastructure projects in Putnam Valley.
- Delivered an additional \$50,000 to support paving projects in the Town of Patterson.
- Worked with DOT to cut red tape and fight project delays.
