Assemblyman Matt Slater: Protecting Clean Water & Our Natural Resources

INVESTING IN CLEAN WATER

Supported \$750 million in funding for New York's Clean Water Infrastructure Program to protect drinking water and modernize aging water systems.¹

PROTECTING OUR LAKES

Authored and passed legislation designating Roaring Brook Lake and Oscawana Lake as "inland waterways" to expand environmental protection and restoration.²

DATA CENTER MORATORIUM

Supported a statewide moratorium on new data centers to fully evaluate the environmental, energy and community impacts of these large-scale projects.³

COMBATTING PFAS

Fighting for new protections from PFAS contamination by expanding testing, safeguarding drinking water and providing more resources to safeguard public health.⁴

COMBATING HARMFUL ALGAL BLOOMS

Co-sponsored legislation to remove regulatory barriers preventing the use of nutrient inactivants to reduce harmful algal blooms in our lakes.⁵
