Karl Brabenec's Education Agenda Starts With Safe Schools

Our kids deserve the opportunity to grow and thrive at school. That's why it's so important for them to feel safe, from the minute they get on the bus until the moment they come home again. That's why Karl Brabenec supports common-sense, bipartisan legislation to protect the kids we love and the schools we trust.

This year, Assemblyman Brabenec supported legislation to:

- **Allow for lower speed limits around schools to protect children at the bus stop and those who walk to and from school. (A.5553)**
- **Prevent sex offenders from residing within 1000 feet of a school or playground. (A.564)**
- **Allow stop arm cameras on school buses to catch and punish drivers who illegally pass school buses picking up and dropping off children. (A.4950-B)**
- **Hire more School Resource Officers and D.A.R.E officers for our schools. (A.4161)**
- **Create a class of Special Security Officers for schools comprised of retired law enforcement. (A.4704)**
