COMBATING HIGH COSTS

In this time of economic uncertainty, your hard work deserves a state that fights for you.

Here are just a few of the critical issues I've been championing:

 **Savings While Shopping**

I'm supporting programs to eliminate New York State sales tax on essentials such as food and gas (A.1690)

 **Health Care Savings**

I'm committed to slashing health insurance costs and reducing your tax burden (A.1927)

 **Property Tax Relief**

I'm working to readjust Enhanced STAR income caps to secure economic stability for those on fixed incomes (A.2769)

 **Blocking Unfunded Mandates**

I'm fighting efforts to impose unfunded programs on local governments, which force them raise your property taxes (A.5447)

 **No More Passing The Buck**

We should empower local governments and taxpayers by ensuring the state fully funds its mandates, preventing property taxes hikes (A.5571)

 **Expanding Credits Earned**

I want to support families by boosting the Earned Income Tax Credit and offering flexible payment options (A.9258)

 **Child Care Savings**

I want to reduce the burden of fees associated with childcare facilities and programs (A.9264)
