Our Work in 2023

I am continually committed to ensuring our community's needs are met with all partners in state government!

Bipartisan Cooperation

Another year is upon us, and with it, a new legislative session. I look forward to building upon the successes of 2023 this year. This letter is a glimpse into our work to ensure Dutchess County is well-represented in Albany. Thank you for your continued support, and please know I am always happy to help if you need it.

Sincerely,

Anil Beephan, Jr.

Continuing the Work

This December, I drafted and introduced several proposals for 2024!

A Community that Cares

I'm proud to support organizations that strive to make a difference, such as the "Shop with a Cop" drive to benefit underprivileged children!

Dutchess County Strong

County Executive Sue Serino and I met at the Dutchess County Office Building to discuss goals for 2024!

Unmatched Civil Service

As a member of the Civil Air Patrol Legislative Squadron, I am proud to support their initiatives throughout Dutchess County and thank them for their dedication to our community!

Local Representation Matters

Sen. Rob Rolison (far right) and I had the honor of meeting the newly-elected class of Dutchess County legislators, including Chairman Will Truitt (second from right) on their inauguration day!

Looking After One Another

In partnership with the MHA Veteran Services of Dutchess County, my office and members of the community donated numerous winter coats to our veterans in need!
