Amenia, NY

DRUG TAKE BACK DAY:

In partnership with Sheriff Kirk Imperati, CAPE, and the towns of Wappinger and Amenia, we collected more than 100 lbs. of unused prescription-strength drugs. Hundreds of pills and controlled substances are now safely secured and away from our streets or the wrong hands.

Wappinger, NY

MELANIE'S LAW- DOMESTIC VIOLENCE PROTECTION:

Our legislation, "Melanie's Law," is heading to Washington in partnership with Congressman Pat Ryan. The law is named in memory of Melanie Chianese, whose tragic death helped pave the way for the need for stronger protections. By expanding who can be covered under an order of protection, this law helps prevent abusers from targeting family members and increases safety for entire households. (A.6026 of 2023-24/ Chapter 541 of the Laws of 2024)

HONORING OUR HEROES

RECOGNIZING SERVICE & SACRIFICE:

I presented WWII veteran James Crifo a citation for his service to our country and community. As a World War II veteran and former POW, Mr. Crifo represents a generation of Americans who answered the call to defend freedom at great personal sacrifice.

NEWS FROM

In February, Assemblyman Beephan was appointed to the Assembly Committee on Corporations, Authorities and Commissions, a key committee when it comes to overseeing utilities and how they're regulated.

ADVOCATING FOR STATEWIDE MORATORIUM ON NEW DATA CENTERS ON APRIL 25

“Dear Governor Hochul, I am writing to respectfully urge your administration to support a statewide moratorium on the approval and development of new large-scale data centers until New York addresses its growing utility crisis and demonstrably improves “in-state energy production capacity.”

ADVOCATING TO SUSPEND THE GAS TAX ON MARCH 31

“New Yorkers are already grappling with a high cost of living, and elevated fuel prices only compound that burden. A temporary suspension of the state gas tax would demonstrate decisive leadership and a clear commitment to easing economic pressure during a time of uncertainty driven largely by forces beyond the control of our residents.”

ADDRESSING UTILITY CRISIS

Co-Hosting Community Forums for NYSEG and Central Hudson:

I hosted public utility affordability forums and office hours for Central Hudson & NYSEG ratepayers in partnership with East Fishkill and Beekman. These conversations gave neighbors the opportunity to ask questions, share concerns, and get clear, direct answers about their energy bills.
