Assemblywoman Carrie Woerner:

## Taking Care of Fort Edward

# Assemblywoman Woerner: Supporting our communities

## Helping Fort Edward schools

Assemblywoman Woerner believes that every child deserves a quality education that sets them on a path toward a bright future. That's why she has secured more than \$400,000 in additional funding in 2018 and 2019 to help the Fort Edward school remain open and continue to serve students.

## Improving local libraries

In this digital age, libraries continue to serve as critical community hubs that help residents access a variety of resources, including the internet. Assemblywoman Woerner helped secure \$5,000 for the Fort Edward Free Library to upgrade its technology and keep residents connected.

## Boosting public safety

- To assist local first responders, she helped provide \$10,000 to the Fort Edward Rescue Squad for the purchase and replacement of cardiac monitors.
- Assemblywoman Woerner also secured \$150,000 in funding for the Fort Edward Police Department to purchase new patrol cars.

## Supporting local businesses

Assemblywoman Woerner is committed to doing everything she can to support local entrepreneurs. To that end, she helped Slickfin Brewing receive their State Liquor Authority license after months of waiting. The Assemblywoman has authored A.2094 the "Honesty in Permit Processing Act" to require state authorities notify applicants on how long the process will take.
