Assemblyman Simpson Fights for Our Seniors!

MATT
SIMPSON
STATE ASSEMBLY

I AM PROUD TO FIGHT FOR OUR SENIORS

Our seniors have contributed to our communities, economy and families, which is why it is my priority to make sure they are taken care of in their golden years. Investing in senior services and support systems promotes dignity, independence and a better quality of life for all.

NO PROPERTY TAX HIKES I support capping the amount our seniors pay in property tax to the amount they paid when they turned 65.¹

SAVINGS IN STAR I want to see seniors living on fixed incomes have their Enhanced STAR property tax exemption cap increased to combat this inflationary period.²

ADDITIONAL TAX BREAKS I want to offer New York's seniors 65 years and older a property tax credit to help them maintain steady retirement plans in New York.³

INCREASE STAR BENEFITS I want to provide seniors with higher STAR exemption savings and reimbursement programs to offset rising costs while incentivizing local governments to adopt this proposal with state aid.⁴

PROTECTION FROM FRAUD I support criminalizing defrauding a person 65 years of age or older if that person used deceptive tactics to gain access to a senior's money, property or benefits.⁵
