Albany has changed...

...for the better

**KEN** *State Assemblyman*  
**BLANKENBUSH**  
NORTH COUNTRY VALUES

# In just **2** years,

*State Assemblyman*  
**KEN BLANKENBUSH**  
**NORTH COUNTRY VALUES**

Ken Blankenbush brought and applied real North Country solutions to Albany's biggest problems.

**2 years ago, Albany was gridlocked by partisan bickering**

Today, the legislators of all parties and the governor work together.

**2 years ago, budgets were hopelessly late and spending was out of control**

Today, budgets are not only passed on time, Ken Blankenbush helped pass this year's budget early while reducing spending without increasing your taxes.

**2 years ago, Albany was balancing its budget on your dime**

Today, Ken Blankenbush made sure middle-class family income taxes are at their lowest rates in nearly 60 years, he's also helped to cap property taxes for homeowners, small businesses and family farms.

**2 years ago, there was no plan for economic recovery**

Today, there is a plan for economic recovery, and real investment in the North Country because Ken Blankenbush delivered nearly \$150 million in state resources here for job growth.

**2 years ago, little was done to lower the cost of living**

Today, seniors' prescription co-pay costs are capped and families no longer pay state sales tax on clothing items costing less than \$110.

**2 years ago, Albany was left in shambles from corrupt politicians**

Today, some of the toughest ethics laws have been put in place so that corruption, greed and self-interest never sidetrack New York government again from the job it needs to do – serve you!
