FIGHTING FOR YOU IN ALBANY TO PROTECT OUR QUALITY OF LIFE

DURING THE LAST LEGISLATIVE SESSION, THE ASSEMBLY PASSED:

- Permanent extension of the Real Property Tax Cap, capping it at 2 percent. (A.2009-C)
- Restoration of the \$65 million Extreme Winter Recovery Program, which was cut during this year's budget negotiations. (A.8434)
- A \$960.9 million increase in total school aid for our schools across New York. (A.2003-D)
- Administrative action to expand eligibility for free college to the children, spouses, and financial dependents of military members who died in performance of their official duties. (A.2991)

FOUGHT AGAINST POLICIES THAT ARE HARMFUL TO OUR QUALITY OF LIFE:

- When legislators proposed a harmful farm labor bill, I fought back. I understand the struggles our small family farms endure every day. We do not need to put more burdens on them. (A.8419)
- I voted against "The Green Light Bill," granting driver's licenses to illegal immigrants. (A.3675-B)
- I voted against the "DREAM Act," which grants free college tuition assistance to illegal immigrants in New York State. (A.782)
- I stood up against the "Red Flag Bill," which could weaken your Second Amendment rights and wrongfully take away your firearms without due process. (A.2689)
