“Putting New Yorkers first starts with supporting local businesses, lowering taxes on families, repealing costly energy mandates and fighting for our local heroes — I am helping to do just that.”

— Robert Smullen

SUPPORTING UPSTATE NEW YORK...

FAMILIES by working to bolster child care services and early childhood education options in New York state (A.6482);

COMMUNITIES by working to create a rural equity assistance program to help them apply for funding opportunities (A.1913);

BUSINESSES by working to establish an online registry highlighting businesses that manufacture or produce products in New York state (A.2405);

SCHOOL DISTRICTS by seeking to allow them to opt out of costly, unfunded state

mandates like the all-electric school bus mandate so they can spend their budgets on their students (A.2005);

STUDENTS by looking to establish the “EmpowerED Act,” to empower students and enhance educational opportunities statewide (A.2009);

FIRST RESPONDERS by helping to provide them state income tax credits (A.1064); and

VETERANS by seeking to expand veterans’ tuition awards programs (A.1298).

2026-27 STATE BUDGET GOALS:

- ▶ Lowering taxes for families;
- ▶ Putting an end to runaway spending;
- ▶ Fighting for rural equity and to expand broadband access;
- ▶ Reducing energy costs and maintaining energy choice;
- ▶ Eliminating expensive mandates; and
- ▶ Improving New York state’s economic outlook and future!
