Robert Smullen is a retired Marine Corps colonel with three combat tours of Afghanistan. He led some of the bravest Americans our nation has to offer in some of the most dangerous environments in the world.

"It is my responsibility to defend your constitutional rights!"

— Assemblyman Robert Smullen

I voted NO on the 2022 Concealed Carry Improvement Act that undermined the UNITED STATES SUPREME COURT DECISION to uphold the Second Amendment.⁵

As a long-time advocate for ALL Second Amendment issues, Robert Smullen is committed to protecting your enshrined rights as Americans.

Albany has a history of restricting our Second Amendment rights –from burdensome concealed-carry restrictions⁵ to costly mandates that target law-abiding citizens⁶ instead of those who break the law. Assemblyman Robert Smullen, a retired Marine Corps colonel with three combat tours, knows what it means to defend freedom.

I am proud to sponsor pro-Second Amendment legislation that would:

- ★ **Protect Family Traditions:**
Allow certain firearms to be passed down through an estate to immediate family members.¹
- ★ **Support Our Service Members:**
Streamline pistol permit applications for active military personnel.²
- ★ **Reestablish Rights:**
Protect the rights of law-abiding New York residents by limiting SAFE Act restrictions to New York City.³
- ★ **Fight Albany Overreach:**
Repeal the state's unnecessary background check fees on firearms and ammunition purchases.⁴

I am leading the fight against restrictions on gun ownership.
