Recruiting and Supporting Our Frontline Workers

We've learned so much from this pandemic and, while I never hope any of us go through anything like this again, we need to come out of this more prepared than ever. That's going to require a team of passionate first responders and nurses.

Nurses

I am proud to sponsor the *Nurses of Tomorrow Act* and the *Empire State Professional Nursing Scholarship Program* and support other initiatives such as a loan forgiveness program (A.2644, A.3248, A.1264).

Volunteer Fire Fighters + EMS

I sponsor legislation which would help our volunteers in our fire departments and EMTs to make it more reasonable and financially feasible for them to continue to serve our communities (A.5288, A.5293, A.5354).

RECRUIT
NY
April 24 + 25

I'm a former fire chief and I know how important volunteers are to our local emergency services. Volunteer fire departments all throughout the district will be hosting events to educate and recruit interested potential volunteers. Keep an eye out on social media or give a call to your local fire house to see what they may be planning.
