MAKING LIFE A LITTLE EASIER

“In the face of soaring living costs, New Yorkers are grappling with unprecedented economic challenges. Families, workers and businesses have found themselves caught in the crossfire of rising expenses, making it increasingly difficult to make ends meet. That’s why I have co-sponsored the following legislation to ease current economic burdens and provide support to families and businesses.”

LEGISLATION THAT NEW YORK NEEDS:

Tax Relief For Families

- ✓ Gas
- ✓ Everyday personal care products
- ✓ Household supplies
- ✓ Groceries¹

Relief For Small Business

- ✓ Help struggling small businesses pay off debts²

Relief For Farmers

- ✓ Lower property taxes for farms across the state³
- ✓ Property tax exemptions for farms producing bio-energy crops⁴

Relief For Seniors

- ✓ Provide seniors across the state with needed tax relief by increasing the income cap level for senior citizens applying for the enhanced STAR property tax exemption⁵
