## Protecting our quality of life

 **Secured \$3.1 billion in property tax rebates** for STAR recipients and extended the property tax cap

 **Restored nearly \$80 million to Medicaid** so you have access to the quality care you deserve

 **Expanded access to affordable health insurance** for more than 400,000 New Yorkers through the Basic Health Program

 **Ensured pharmacies are reimbursed for their services**, helping to keep prescription costs down

### **Assemblyman Stirpe helped protect patients and train their caregivers**

The CARE Act requires hospitals to provide caregivers with the information, instruction and training they need to meet the needs of patients after they are discharged.

It also guarantees patients the opportunity to designate a caregiver, who will learn to operate medical equipment and administer medications.

**Did you know?** New York Connects Onondaga helps make home care and long-term care more accessible by offering free assessments and screenings to county residents
