JOIN THE RANKS OF OUR PAST HONOREES

Dear Neighbor,

With a new year comes new beginnings, but we must not forget to highlight the dedicated women who've worked to strengthen Central New York communities. This year marks a decade of hosting our annual Women of Distinction Awards as a way to honor the extraordinary women who go above and beyond to make our communities special. That's why I am asking you to nominate the women in your life who are making a lasting impact in fields such as civic affairs, volunteerism, health care, education, business or for their heroism during the COVID-19 pandemic. Their critical service to our communities deserves to be recognized and celebrated. If you have any questions about this or any other community issue, please contact my office.

Sincerely,

Al Stirpe
