JOSH CARES ABOUT

Our Children's Future

As a father of twins, Josh knows how important it is to make sure our next generation of leaders has the skills and knowledge they need to succeed. That's why he has supported measures to give our kids all the tools they need to thrive.

Provides a \$28.3 million increase in School Aid for our local districts to ensure they have the funds they need to give our students the best, quality education they deserve (A.3006-C).

Would ensure our students with disabilities receive the best possible education by extending the age for students to receive educational and support services to 23 years old in response to COVID-19 (A.1201-A).

Requires libraries provide physical and digital media to make sure our students have all of the tools they need to succeed in and out of the classroom (A.6339).

Would create the NYS Pathways in Technology Early College High School Program to help prepare students for high-skill jobs after graduation (A.7319).

For more information on this or any other state issue, please contact Assemblyman Josh Jensen at:
2496 West Ridge Rd., Rochester, NY 14626 • 585-225-4190 • jensenj@nyassembly.gov
