COMMUNITY UPDATE

SUPPORTING OUR COMMUNITY'S SMALL BUSINESSES
1-2. I've been excited to visit local small businesses across Greece, Ogden and Parma. Small businesses are such an important part of our local economy it's been great to directly hear from them and see firsthand how they make the 134th Assembly District a community.

JOSH JENSEN
OUR ASSEMBLYMAN

DEAR NEIGHBOR!

I'm eager to update you on things that have been happening across the 134th Assembly District this year. Once this year's Legislative Session concluded, it was great to visit our community in Greece, Ogden and Parma and remain actively engaged in exploring small enterprises, extending my support to schools and healthcare professionals, and delving into various other pursuits!

Please know that I am always here for you! If you have any questions, comments or concerns please feel free to reach out:

2496 West Ridge Road Rochester, NY 14626

PRIORITIZING OUR COMMUNITY'S FUTURE GENERATIONS

3. I had a great time joining Parma Public Library for story time at the gazebo in the village. The kids loved “Gorilla Loves Vanilla,” and I even joined in with the songs and dancing! One of the best parts of being a public servant is being out in the community and having an opportunity to interact with the people I represent of every age.

4. I had such a great time joining Cornell Cooperative Extension of Monroe County on Friday at Greece Central School District’s Longridge Elementary to read to Mr. Hayward’s 4th Grade class and share a lesson on growing vegetables. The students were so excited to absorb the lesson and plant their very own tomato and basil seeds!

HEALTHCARE IN OUR COMMUNITY

5. I had a great time joining the residents of Episcopal SeniorLife Communities and members of the community and surrounding neighborhood for multiple “Lunch & Learn” conversations! I shared updates on what’s going on in NYS and answered their questions.

6. Greece Family Dentistry hosted a free dental day. It was great attending and having a chance to share some information with folks from across our community. Thank you to the team at Greece Family Dentistry for offering this amazing service!

7. I had the opportunity to tour Rochester Regional Health’s Unity Hospital in Greece. During the visit I saw, and spoke to care staff, at the Golisano Restorative Neurology & Rehabilitation Center, August Family Birth Place, Emergency Dept., August Joint Replacement Center, and Intensive Care Unit.

BUILDING UP OUR COMMUNITY

8-9. On Memorial Day, I was honored to spend the day with members of our community honoring the sacrifices of America’s fallen sons and daughters. The day started with a flag-lowering ceremony at Parma Union Cemetery with Hiscock-Fishbaugh American Legion Post 788, followed by the Ferris Goodridge American Legion Post 330 parade and ceremony in Spencerport. Next was the Town of Greece’s Memorial Day parade and ceremony, where I led our community in the Pledge of Allegiance. It is our obligation to remember that our liberty and freedom as Americans was paid for by our nation’s heroes.

10-11. It was great to see so many friends and community members at the Hilton Fire Department’s Grand Parade! Growing up, the Hilton Fire Department Carnival and Parade is something that I would look forward to every year and it was amazing to see it continue to bring our community together.

12. I had a great time attending this season’s opening ceremonies for Greece Little League! Additionally, it was my honor to present an Assembly citation to Gene Noga for his 41 years of service to the Greece community, and to all those, like myself, that have played ball with Greece Little League!
