FRIENDS AND NEIGHBORS,

You deserve a state government that works for you.

But year after year, we see the same problems: corruption^{1,6,7}, taxpayer dollars wasted^{2,3}, and public safety put at risk^{4,5}. Families and small businesses are left paying the price.

As your Assemblyman, I am committed to three simple principles:

- ◆ **Improving Transparency & Accountability-** This would help restore ethics, transparency, and accountability in Albany. (A.7021) (A.9563)
- ◆ **Financial Responsibility -** Respecting taxpayers and the NYS Constitution by demanding honest budgets, responsible spending, and real oversight of where your money goes. (A.4301) (A.4592) (A.7530)
- ◆ **Public Safety First -** Working to support law enforcement, upholding the law, and protecting our neighborhoods from crime. (A.9127) (A.4463)

I'm ready to stand up, speak out, and fight for the values that make New York strong.

Sincerely,
Josh
