With the legislative session underway and budget talks right around the corner, Assemblyman Steve Hawley will make sure the powerful in Albany listen to us.

STEVE'S VALUES ARE OUR VALUES:

- ★ **FULLY FUND** our direct-care workers who protect our most vulnerable neighbors and care for those with disabilities.
- ★ **RESTORE THE GOVERNOR'S CUTS** to Extreme Winter Recovery Funds that help us repave potholes and fix bridges after harsh winters.
- ★ **PRESERVE YOUR TOWN OR VILLAGE'S** ability to provide services like snow removal and road repair by restoring the Aid and Incentives to Municipalities (AIM) cuts proposed by the governor.
- ★ **PROVIDE** every school in the state with a trained School Resource Officer.
- ★ **REFORM** our charitable gaming laws so churches, non-profits, fire departments and other local organizations can hold charitable raffles and give back to the community.

ASSEMBLYMAN
**STEVE
HAWLEY**
