Assemblyman Conrad: Help ensure our kids ride safely this summer!

Children will have the opportunity to learn about bike safety and receive all the gear and tips they need to ride safely this summer. Helmets will be distributed while supplies last, and a bicycle mechanic will be available to inspect and make small repairs if necessary. Snacks will also be provided.

Wheels for Workers 716 will be operating a drop-off station for donated bikes. Please bring your unwanted bicycles, which will be rehabbed and gifted to local people in need.

Saturday, July 13 | 11 a.m. - 2 p.m.
Lincoln Park, Picnic Pavilion #2
Town of Tonawanda, 299 Decatur Rd
