An update from the office of
**Assemblymember
Monica Wallace**
on resources available to seniors

Assemblymember Monica Wallace is working to protect seniors by:

Reducing health care costs by increasing transparency in the pharmaceutical industry (A.2836-A)

Making the 2% property tax cap permanent and supporting the STAR program (A.2009-C)

Safeguarding programs that prevent the exploitation and abuse of seniors, such as the Long Term Care Ombudsman Program (A.7458)

The New York Statewide Senior Action Council's Patient's Rights Helpline is available to ensure your rights as a hospital patient are being respected. They can help address concerns about Medicare coverage or receiving proper information regarding your diagnosis and treatment options.
