Assemblymember Monica Wallace: Working to support New York's veterans

During this year's legislative session, Assemblymember Wallace:

★ Introduced a bill that would require SUNY institutions to grant academic credit for veteran students who completed coursework as part of their military training (A.1474)

★ Co-sponsored legislation that would ensure timely delivery of certificates of honorable separation from military service to county veterans' services agencies (A. 3093)

★ Passed a measure that would provide free admission for Gold Star families to use campsites, parks and other recreation areas (A.6084)
