Assemblyman Angelo J. Morinello joined his Assembly Minority colleagues to host a **Domestic Violence Awareness forum**, where he met with community leaders and advocates and discussed the issue, which is all too common.

At this forum, Morinello had the opportunity to **discuss what the State Legislature is doing to address the issue of domestic violence and connect with individuals from across Western New York**, along with organizations united in the effort to end it.

If you or a loved one has been a victim of domestic violence, resources are available to you:
