Assemblyman Angelo Morinello believes more must be done to prevent drug abuse from harming our youth and families, and that only together we will **eradicate this crisis**.

That's why he supported a **\$227.7 million** spending package in the 2018-19 Enacted Budget for **additional heroin and opioid treatments and services**.

Morinello also supports efforts to:

Arrest and detain dealers

Provide opioid antidotes to first responders

Educate our youth about the dangers of drug use

Assist those facing addiction with upgraded rehabilitation programs like increased access to in-out patient programs
