ASSEMBLYMAN
ANGELO * J.
MORINELLO

Assemblyman Angelo J. Morinello understands the importance of a fulfilling career. Whether it's going to college, enrolling in a vocational training program, or enlisting in the military, Angelo believes it's our job to help recent high school graduates find a career they enjoy and prosper in. That's why he's working to help high school graduates succeed:

College

- ➔ Make graduate programs eligible for the New York State Tuition Assistance Program (TAP) (A.5912).
- ➔ Provide additional funding to every TAP recipient and increase the maximum TAP award.
- ➔ Offer low tuition for students selected based on their academic achievements (A.2821).
- ➔ Establish tuition awards for members of the U.S. Reserves (A.4608).
- ➔ Make more families eligible for college tuition assistance (A.5902).

Vocational Training

- ➔ Allow students to pursue vocational training as a path to graduation which includes careers in trade or technical fields.
- ➔ Tax breaks for recent graduates so they can keep more money when they start their career.
- ➔ Require vocational training and career technology courses in high schools.
- ➔ Enact the "Learning for Work Act," which establishes the youth apprenticeship program (A.4255).
- ➔ Increase the salary of any career and technical education teacher in a BOCES program, ensuring students receive high quality education and training (A.5388).
