- A bird, squirrel or rabbit
- Something red
- Something that you play with
- A flat rock
- Something that starts with the letter "S"

"While adhering to social distancing guidelines has been difficult, these important measures are in place to help keep our families healthy. But that doesn't mean we can't still have fun. This scavenger hunt will give your kids a new way to be active and engaged with their surroundings while staying safe."

— Assemblymember Karen McMahon
