Assemblymember Karen McMahon's Constituent Survey

Dear Friend,

The past two years have been challenging for all of us, but our community has come together to put each other's health first and work toward a better tomorrow. This legislative session, I plan to keep working with my Assembly colleagues to fight for legislation that protects our communities, businesses and environment.

One of the best ways I can represent our community in Albany is by hearing directly from you. Please fill out my survey so that I can best represent Western New York families during the 2022 legislative session.

Sincerely,

Karen M. McMahon
