ON THE MOVE:

April in the 148th Assembly District

1. DAYTON VOLUNTEER FIRE COMPANY'S ANNUAL INSTALLATION BANQUET

Congratulations to the new officers and this year's honorees. Thank you for your selfless service to the community. It's a privilege and an honor to be your representative in the Assembly.

2. AHA! ALLEGANY COUNTY COLLEGIATE STARTUP COMPETITION

I was proud to welcome student teams from Alfred State College, Alfred University and Houghton University to the AHA! Allegany County Collegiate Startup Competition. This year, a record 13 teams pitched startup ideas to a panel of judges. Thank you to the sponsors, AHA Committee and IncubatorWorks, as well as Houghton University, for hosting and providing the mentors who supported these students.

3. PERRYSBURG VOLUNTEER FIRE DEPARTMENT'S ANNUAL BANQUET

Congratulations to the new officers and honorees, including William Watkins, who has given an incredible 60 years of service! Thank you for inviting me to be part of your celebration and allowing me to thank each of you in person for your service to the community. It's an honor to represent you in the Assembly.

4. CABOCES COUNTY GOVERNMENT STUDENTS AT THE BELMONT BOCES

I had a great time talking to CABOCES County Government Students at the Belmont BOCES Center about state government, what I do as their representative in the Assembly and the issues confronting our rural community. Thank you to CABOCES County Government Instructor Jonathan Retz for inviting me to talk to his students. Mr. Retz's students are informed and asked very insightful questions about what's happening in Albany and how the policies out of Albany are impacting them, their families and our region.

5. ANNUAL CATTARAUGUS COUNTY FARMER-NEIGHBOR DINNER CELEBRATION

Congratulations to Farmer of the Year Brendan O'Gorman, Friend of Agriculture honoree Katie Hill and Agriculture Legacy Award recipient Marcie Furl. Kudos as well to the Hinsdale Central School Envirothon Team—Brett Bergstrom, Kaleigh Buckles, Robert Childs, Amaya Russell and their advisor, Mr. Warren Schulze, for winning the county championship for the second year in a row and placing seventh statewide. Thank you to all who make this event possible. Agriculture remains a cornerstone of Cattaraugus County and a source of innovation across New York.

6. ANNUAL CATTARAUGUS COUNTY DWYER VETERAN PROGRAM GALA AT HOLIDAY VALLEY

Congratulations to all the honorees! It was an honor to be part of the celebration. Thank you to all our veterans for your selfless service in defense of our freedom and thank you to the volunteers and sponsors who made the gala possible.

7. ALLEGANY COUNTY JOINT TOWN HALL

More than 100 residents joined me, along with Senators George Borrello and Tom O'Mara, for a joint town hall at Genesee Valley Central School. We discussed the late state budget, rising costs, public safety and energy policies, and I appreciated the opportunity to hear directly from constituents as we continue working toward common-sense solutions.
