December 15, 2017

Honorable Carl Heastie
Speaker
New York State Assembly
Room 932, Legislative Office Building
Albany, New York 12248

Dear Mr. Speaker:

It is with great pleasure that I forward to you the 2017 Annual Report of the New York State Standing Committee on Veterans’ Affairs.

Several significant pieces of legislation became law this year, including legislation to ensure that veterans are aware of their ability to utilize state-operated veterans homes, allowing for the removal of the ten year limit for real property tax exemptions for cold war veterans, and Chapter 352 of the Laws of New York, which requires the report submitted by the Division of Service Disabled Veterans to be updated annually.

The Committee also advanced legislation to require the Division of Veterans' Affairs to post contact information for each New York state veterans’ home on its website and to require the Division of Service-Disabled Veterans' Business Development to issue a report to the Governor and the Legislature regarding the businesses participating in contracts for goods and services.

While a number of our legislative goals were achieved this past session, much work remains to be done. In 2018, the Committee will focus on helping veterans who have recently been discharged to readjust to civilian life and the Committee also will continue to examine issues related to both older veterans and women veterans.

I wish to extend my appreciation and many thanks to the members of the Committee, the Committee staff, and the veterans of New York State, and to you, Mr. Speaker, for your unwavering support for veterans.

Sincerely,

Michael DenDekker
Member of Assembly

I. COMMITTEE JURISDICTION AND SUMMARY

The Assembly Standing Committee on Veterans’ Affairs evaluates legislation affecting nearly one million New York State residents who unselfishly served their nation in the United States armed forces, including 63,899 New York State women. The Committee seeks to safeguard programs and promote legislation to benefit veterans and their families. In addition, the Committee maintains an ongoing dialogue with the veteran community and addresses issues affecting the lives of New York State veterans.

Veterans are affected by a number of titles of New York State statute, principally: Civil Service Law, Executive Law, Military Law, Education Law, Real Property Tax Law, Public Health Law, and Retirement and Social Security Law. Amendments to the State constitution that would affect veterans are also considered by the Committee. New York State currently offers a variety of veterans’ assistance programs, including a real property tax exemption program, educational assistance for certain veterans and their family members, and a state veterans’ nursing home program.

This past legislative session, the Committee held five committee meetings at which it considered 105 bills. Seven passed both houses of the Legislature; seven were signed into law by the Governor. The Committee was represented at the New York State Legislators Pearl Harbor Memorial Journey in October.

While the Committee has jurisdiction over legislation that affects veterans’ benefits and programs that help veterans and their families, the Committee does not work alone. Some initiatives advanced by individual veterans and veterans’ service organizations are referred to other standing committees, such as the committees on Governmental Operations, Transportation, Real Property Taxation, Health, Governmental Employees, Environmental Conservation, Election Law, Small Business, Mental Health, Labor, and Tourism, Parks, Arts, and Sports Development. As a result, the Committee’s chair, members, and staff work closely with other committees to ensure that this unique population’s needs are met.
II.  2017 LEGISLATIVE HIGHLIGHTS

A. Real Property Tax Exemption for Certain Veterans

The veteran’s real property tax exemption has a long history in New York State. Veterans’ tax exemptions are available to men and women who served in the armed forces of this country dating back to the time of the American Revolution.

Virtually all real property tax exemptions granted to veterans in New York State fall into three categories: the fixed dollar amount “eligible funds” category (Real Property Tax Exemption Section 458); the percentage-of-exemption “alternative” category (Real Property Tax Law Section 458-A) and the “Cold War veterans’ percentage-of exemption value” category (Real Property Tax Law Section 458-B).

Four pieces of legislation affecting the various real property tax exemptions were enacted into law this year.

1. **Informs Assessors that Veterans From Certain Conflicts are Eligible for Veterans Exemptions** This measure would require the Division of Veterans’ Affairs, in conjunction with the Department of Taxation and Finance, within thirty days of this measure and at least annually thereafter, to remind assessors that the Persian Gulf conflict referenced in Section 458-a of the Real Property Tax Law includes, but is not limited to, hostilities in Afghanistan and Iraq, also known as Operation Iraqi Freedom, Operation Enduring Freedom, Operation New Dawn and Operation Inherent Resolve. (A.4859/Barrett; Chapter 286 of the Laws of 2017)

2. **Expansion of the Eligible Funds Exemption To Add School Taxes By Local Option** This law expands the eligible funds exemption to taxes levied by local school districts. The bill would allow those districts to conduct a public hearing regarding the tax exemption and, after such hearing, allow the governing body of the school district to pass a resolution to provide the exemption. Qualified veterans living within the school district that has adopted the resolution would have the same exemption from school districts as they received from their local tax districts. (A.5135/ Cusick; Chapter 376 of the Laws of 2017)

3. **Property Tax Exemption for Certain Veterans** This measure would allow towns by local option to extend the alternative veterans exemption to veterans who served on active duty pursuant to Executive Order 11519 of March 23, 1970 signed by President Nixon. Currently, counties, cities, villages, and school districts have authority to adopt a local law or resolution. (A.7001/ DenDekker; Chapter 141 of the Laws of 2017)

4. **Cold War Veterans Real Property Tax Exemption** This law allows a municipality or school district that has adopted a local law or resolution to grant the Cold War veterans exemption for a ten-year period to adopt another local law
or resolution providing that the exemption authorized previously applies to qualifying owners of qualifying real property as long as they remain qualifying owners, without regard to such ten-year limitation. (A.6510-A/ D’Urso; Chapter 290 of the Laws of 2017)

B. Information for Veterans

Benefits for veterans are not automatically granted. Benefits must be applied for by the veteran or by a member of the veteran’s family. Providing information to veterans and their family members about the various benefits on the federal, state and local level is a critical responsibility of those offering said benefits.

1. New York State Veterans’ Nursing Homes Options to Be Listed on the Division of Veterans’ Affairs Website
   This law requires the Division of Veterans’ Affairs to include contact information on the five State Veterans’ Nursing Homes on the webpage entitled “Information for Veterans Concerning Health Care Options.” (A.5165/Pheffer-Amato; Chapter 287 of the Laws of 2017)

2. Report Submitted By the Division of Service-Disabled Veterans’ Business Development Program
   This law requires that additional information be included in the required annual report submitted by the Division of Service-Disabled Veterans’ Business Development Program. The additional information includes the level of service-disabled veteran-owned businesses participating in each agency’s contracts for goods and services and on activities of the division and efforts by each contracting agency to promote utilization of service-disabled veteran-owned businesses and to promote and increase participation by certified service-disabled veteran-owned businesses with respect to state contracts and subcontracts. The report may recommend new activities and programs to effectuate the purposes of this law. (A.7008-B/DenDekker; Chapter 352 of the Laws of 2017)

C. Miscellaneous

1. Conspicuous Service Cross License Plates
   This law authorizes the Department of Motor Vehicles to issue distinctive license plates for veterans who have received the New York State Conspicuous Service Cross medal. (A.8005-A/ Cusick; Chapter 232 of the Laws of New York)
III. BUDGET HIGHLIGHTS

A. Division of Veterans’ Affairs

The Division of Veterans’ Affairs (DVA) assists, counsels, and advocates for veterans, military personnel, and their families.

1. Veteran Counseling Program

The Veteran Counseling Services Program provides counseling and services through a statewide network of State veteran counselors. The counselors, all of whom are veterans and support staff, help veterans complete and file applications for state, federal, and private benefits and services. Counselors also serve veterans through outreach to the federal Department of Veterans Affairs medical centers, senior centers, state and local veterans’ nursing homes, and public assistance offices. State veteran counselors help ensure that active duty military personnel and their families receive the supplemental benefits to which they are entitled.

The SFY 2017-18 budget appropriated $5,821,000 for services and expenses related to the Veteran Counseling Program in the State Operations Fund and $5,022,000 from the General and Special Revenue Funds for services in Aid to Localities funds.

State veteran counselors receive professional training in veterans’ benefits counseling and are accredited by the U.S. Department of Veterans Affairs.

2. County and City Veterans’ Service Agencies

County and city veterans’ service agencies are mandated by state law to inform members of the armed forces, reserves, organized militia, and veterans and their families about available education, retraining, medical, and other rehabilitative services and facilities.

The State budget for SFY 2017-18 includes a sub-allocation of $1,177,000 for the payment of aid to County and City Veterans’ Service Agencies in Aid to Localities funding.

3. Monroe County Veterans Outreach Center

The Monroe County Veterans Outreach Center in Rochester, New York, is the nation’s oldest community-based outreach center serving veterans of all eras. The Outreach Center provides counseling services for successful reintegration of veterans of the Iraq and Afghanistan conflicts into the community, short-term psychological counseling for veterans and their immediate families, residential programs for homeless veterans, and an alternative to incarceration programs through the Rochester veterans’ court.
The SFY 2017-18 included a sub-allocation of $250,000 for the services and expenses related to the Veterans Outreach Center, Inc., in Aid to Localities funding. The Legislature added an additional $250,000 for services and expenses for the Veterans Outreach Center Inc. (Monroe County).

4. **Vietnam Veterans of America New York State Council**

The Vietnam Veterans of America (VVA) is the nation’s only congressionally-chartered veterans’ service organization dedicated to the needs of Vietnam-era veterans and their families. The council provides assistance in navigating the various benefits available to veterans of all eras and conflicts and their family members.

The SFY 2017-18 budget included $40,000 to the VVA New York State Council in Aid to Localities funding. This was a legislative addition to the proposed executive budget.

5. **Legal Services New York City (LSNYC) Veterans Justice Project (VJP)**

The Veterans Justice Project (VJP) identifies systemic barriers that prevent housing stability, economic security and basic survival, and challenges them through coordinated advocacy. The program addresses the following issues: HUD-VA supportive housing issues; evictions; foreclosures; unemployment insurance denials; debt collection/wage garnishment; child support; wills and powers of attorney; divorce; custody; special education; and Social Security/SSI. Since the project was launched in 2011, at least 2000 veterans and their family members have been assisted.

The SFY 2017-18 budget included $100,000 to the VJP. This was a legislative addition to the budget proposed by the executive.

6. **Warrior Salute**

CDS Monarch in Webster, New York developed Warrior Salute to help service members and their families with personalized life and job transition support. Warrior Salute helps veterans to regain their lives and dreams by providing clinical and family support services, quality employment opportunities, and temporary housing.

The SFY 2017-18 budget included $200,000 to the Warrior Salute in Aid to Localities funding. This was a legislative addition to the budget proposed by the executive.

7. **Services & Advocacy for Gay, Lesbian, Bisexual & Transgender Elders (SAGE)**

Services & Advocacy for Gay, Lesbian, Bisexual & Transgender Elders (SAGE) has established a comprehensive program for New York State’s LGBT elder veterans which provides legal counsel, benefit advocacy, and enhanced wrap-around services in order to improve these veterans’ income security and overall well-being.
In addition, representation will enable LGBT veterans currently on public assistance, Medicaid, or other state subsidy programs, to apply for veterans’ benefits including, but not limited to income, medical, spousal, and survivor benefits. The SAGE program will provide assistance to LGBT veterans by upgrading their discharge if it is necessary for them to access federal VA benefits.

The SFY 2017-18 budget included $100,000 to implement SAGE’s comprehensive program for New York State’s LGBT elder veterans. This was a legislative addition to the budget proposed by the executive.

8. Legal Services of the Hudson Valley and Military Families Project

The Veterans and Military Families Advocacy Project, Legal Services of the Hudson Valley provides a full range of civil legal services that resolve the unique legal problems faced by veterans and their families. This program covers more than 120,000 veterans living in Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster and Westchester counties.

The SFY 2017-18 budget included $250,000 for this program.

9. New York State Defenders Association Veterans Defense Program

The Veterans Defense Program (VDP) helps the most vulnerable of our veterans by assisting defense attorneys in providing justice to veterans with mental health issues arising out of their military service and facilitating treatment to begin healing the wounds of war.

The New York State Defenders Association is providing training and expert legal assistance to attorneys in 120 county-based public defenders offices, legal aid agencies, and assigned counsel staff.

In the budget for SFY 2017-18, $500,000 was appropriated for this important veterans’ program. This was a legislative addition to the budget proposed by the executive.

10. Helmets to Hardhats

Helmets to Hardhats is a charitable corporation that assists transitioning active duty veterans as well as members of the Reserves or National Guard to gain employment with the building trades. The program has been actively placing military veterans into building trades affiliated apprenticeship programs across the country since 2003 and since 2013 in the City of New York.

The Helmets to Hardhats program fills a void in conventional services available to New York City veterans. Without the commitment of the construction industry to this program, specifically in terms of funding and placement, the pathway to a middle class career would be hindered by a disorganized and decentralized non-union sector of the construction industry. The program streamlines the pathway and provides invaluable
support for those seeking entry to a career in union construction. With funds appropriated in the 2016-17 fiscal year, the program will be expanded on a statewide basis.

In the SFY 2017-18 adopted budget $200,000 was appropriated for this program to expand state wide.

11. Veterans Miracle Center

The Veterans Miracle Center located in Albany, New York, provides veterans, active duty military personnel and their immediate family with free clothing, personal care items, household items, ambulatory equipment, and toys. It also has counseling specialists that provide free personal development such as financial planning, employment and housing information.

In the SFY 2017-18 adopted budget $25,000 was appropriated for this program.

12. Indigent Burial Services

Chapter 579 of the Laws of 2015 and Chapter 29 of the Laws of 2016 were enacted to provide dignified burials to indigent veterans whereby congressional-chartered veterans’ organizations are selected to provide these services by the county and state of New York.

This budget includes an appropriation for the implementation of these chapters.

The SFY 2017-18 budget sub-allocated $100,000 to the Office of Temporary and Disability Assistance for the payment of burial services for indigent veterans.

13. Veteran-to-Veteran Support Services

The concept of Veteran Treatment Courts started in Buffalo, New York. Currently, there are 29 of these courts statewide to address the needs of veterans who find themselves involved in the criminal justice system due to addiction, PTSD, brain injuries and mental illness. These special courts help veterans by linking them with community service and support, as well as local, state and federal agencies specializing in veterans’ affairs.

One of the key components to these courts are veterans who serve as volunteer mentors to the defendants. These individuals provide support and motivation to the veterans who are currently in the court system and help them not only navigate the criminal justice system but help the veteran reintegrate into civilian society.

This appropriation supports veteran-to-veteran programs maintained by veterans service organizations, connects veteran defendants to treatment and support services directed by the criminal justice system, provides services to support veterans to avoid involvement with the criminal justice system, supports programs providing counseling and advocacy.
activities for veterans, and provides assistance in securing linkages at the national, state and local level.

The SFY 2017-18 budget allocated $1,000,000 to the payment of Veteran-to-Veteran Support Services.

14. Access to Justice Initiative

The unmet demand for legal services for veterans and service members remains significant. The Justice for Heroes proposal is a competitive grant initiative among the law school clinics in the State of New York.

The SFY 2017-18 budget allocated $250,000 for the payment and services of the access to justice initiative.

15. Veterans of Foreign Wars, NYS Chapter Field Service Operation

In order to be a member of the Veterans of Foreign Wars, a person must be a U.S. citizen or U.S. National, have served in the Armed Forces of the United States and received an honorable or general discharge and served in war, campaign or expedition on foreign soil or in hostile waters. A veteran service officer of the VFW helps veterans navigate the various benefits available on the federal, state and local level.

The SFY 2017-18 budget allocated $120,000 for the services and expenses of the New York State Veterans of Foreign Wars Chapter Field Service Operation.

16. Veterans’ Education Program

The Veterans’ Education Program is operated by the Division of Veterans’ Affairs. The program is located in Albany and New York City, and investigates and approves post-secondary educational and vocational institutions for the use of the Division’s education benefits. It also approves on-the-job training and apprenticeship programs.

The SFY 2017-18 budget appropriated $2,025,000 for the expenses associated with the operation of this program in State Operation funding.

17. Administration Program

The Administration Program is primarily composed of two components, Supplemental Burial Benefits and Gold Star Annuity Benefits. In addition, the appropriation also provides for the funding of administrative personnel and operational expenses. The SFY 2017-18 budget appropriated $480,000 under State Operations funding and $999,000 under Aid To Localities funding for these purposes.

18. New York State Supplemental Burial Benefits
New York State offers a supplemental burial benefits program to eligible families of military personnel killed in combat or wounded in combat but died from their wounds outside of the combat zone.

In the SFY 2017-18 budget, $400,000 was sub-allocated for this program and for transfer of such amounts as are necessary to state operations for related administrative expenses.

19. **Gold Star Parents**

Gold Star Parents refer to parents who have lost children to the ravages of war and are unable to rely upon their children in their twilight years. This appropriation supports the payment of a $500 annuity to a Gold Star Parent. Up to two parents may claim this annual benefit.

The SFY 2017-18 budget sub-allocated $599,000 to the payment of the Gold Star Parent annuities.

The SFY 2017-18 budget allocated $200,000 for the services and expenses of the New York State Defenders Association Veterans Defense Program.

**B. Division of Military and Naval Affairs**

1. **New York State Military Museum and Veterans Research Center**

The New York State Military Museum and Veterans Research Center is located in the Saratoga Armory in Saratoga Springs, New York.

In the budget for SFY 2017-18, $241,000 was included for operating expenses associated with the New York State Military Museum and Veterans Research Center for non-personal service in State Operations funding. Also, $1,000,000 was appropriated for: services and expenses related to youth academic and drug demand reduction programs; the New York Guard; the New York Naval Militia; the New York State Military Museum; the Veterans Research Center; and, the preservation and restoration of historic artifacts.

**C. Department of Mental Health**

**Office of Mental Health**

**Peer-To-Peer Veterans Counseling Program**

The PFC Joseph Dwyer PTSD Peer-To-Peer Veterans Counseling Program, which provides “peer-to-peer” counseling between veterans who personally understand the effects of Post-Traumatic Stress Disorder and Traumatic Brain Injury, was first funded in
the 2012 budget. It has been operating in four test counties: Suffolk, Rensselaer, Saratoga, and Jefferson.

In the SFY 2017-18 budget, $3,090,000 was appropriated to fund the four test counties, as well as eleven additional counties: Broome, Chautauqua, Dutchess, Erie, Monroe, Nassau, Niagara, Onondaga, Orange, Putnam, and Westchester. Also included in the funding is the University at Albany School of Social Welfare.

D. Department of Family Assistance
Office of Children and Families

American Legion Boys State Program

Boys State of the American Legion is the Leadership Action Program wherein qualified male high school juniors participate in a practical government course designed to develop a working knowledge of government. The New York State program is held each summer at Morrisville State College.

The SFY 2017-18 budget included $150,000 for this youth program under the Morrisville Auxiliary of State University College of Agriculture and Technology at Morrisville, New York for the American Legion Boys State Program. This was a legislative addition to the budget proposed by the executive.

E. Department of Agriculture and Markets

Cornell Small Farms Program

Monies were added in the adopted budget to help establish up to five veteran-owned small farms through a first in the nation pilot program. Returning veterans and those seeking a career change would be encouraged to try agriculture; in return, the veterans would be available to train additional veteran farmers in future years under this program.

The SFY 2017-18 budget included $115,000 for the Cornell Small Farms Program.

Such legislation would also ensure that women veterans receive the benefits that they have earned through their service.

B. Urging the New York State Congressional Delegation to Pass the Blue Water Vietnam Veterans Act of 2017, H.R. 299. (Resolution No. 180, DenDekker)

This resolution urges the New York State Congressional Delegation to Pass the Blue Water Vietnam Veterans Act of 2017, H.R. 299. The Blue Water Navy Vietnam Veterans Act of 2017 would restore the legal presumption of Agent Orange exposure for those veterans who served in the bays, harbors, and territorial seas of Vietnam. This federal legislation would correct a Vietnam Affairs (VA) policy decision implemented in 2002 that unilaterally stripped these veterans of the presumption of exposure granted by the Agent Orange Act of 1991.

D. Commemorating the 75th Anniversary of the Civil Air Patrol. (Resolution No.185; Lupardo)

The Civil Air Patrol (CAP) was founded on December 1, 1941, one week before the Japanese attack on Pearl Harbor, to supplement the United States Military during World War II. This resolution would celebrate and recognize the accomplishments of the CAP. The CAP provides exceptional educational opportunities for youth through its Cadet Program. E. Honoring the members of the Setauket Spy Ring for their bravery during the American Revolutionary War to be celebrated with the dedication of the Route 25 A as Washington’s Spy Trail on May 18, 2017. (Resolution No.444; Englebright)

The Secrecy surrounding the Setauket Culper Spy Ring and its members precluded recognition of its vital contributions to the favorable outcome of the Revolutionary War and creation of the nation. These meritorious men and women risked their lives and families to serve their young country at its most precarious moments to ensure that liberty and freedom would shine in the years ahead. This resolution would honor the members of the Setauket Spy Ring for their bravery during the American Revolutionary War to be celebrated with the dedication of Route 25A as Washington’s Spy Trail on Thursday, May 18, 2017, at the Brewster House.
VII. HONORING SERVICEMEN AND SERVICEWOMEN THROUGH LEGISLATIVE RESOLUTIONS

A. Commending Jerry Donnellan upon the occasion of his retirement after 30 years of distinguished service to Rockland County’s Veterans Service Agency. (Resolution No. 674; Zebrowski)

In 1968, Jerry Donnellan was drafted into the United States Army where he proudly served his country during the Vietnam War. After his honorable discharge, Jerry Donnellan spent more than a year recovering and undergoing rehabilitation after his many grievous injuries. For his courageous service, he was awarded with multiple Purple Heart Medals. Jerry Donnellan served as the Director for Rockland County’s Veterans Service agency where he established several programs for local veterans such as the Memorial Day Watchfires and a veterans health clinic. A. Memorializing Andrew M. Cuomo to proclaim New York State as a Purple Heart State. (Resolution No. 89; DenDekker)

Members of the Armed Services from the State of New York who have served so valiantly and honorably in our nation’s wars, as well as in the preservation of peace in peacetime, deserve a special salute from this Legislative Body. The Purple Heart medal is the oldest military decoration in the world, and it is awarded in the name of the United States military who have been wounded or killed in action. This resolution memorializes Governor M. Cuomo to proclaim New York State as a Purple Heart State.

B. Memorializing Governor Andrew M. Cuomo to proclaim February 3, 2017, as Four Chaplains Day in the State of New York (Resolution No.105; Wallace)

Each of the Four Chaplains was awarded the Purple Heart and the Distinguished Service Cross posthumously. The citation of each reads “For extraordinary heroism in connection with military operations against an enemy of the United States. On the night of the 3rd of February, 1943, a loaded troop transport was torpedoed, without warning, by an enemy submarine in the North Atlantic and began to sink rapidly. In the resulting confusion and darkness some men found themselves without life jackets and others became helpless through fear and the dread of plunging into the freezing water. These Four Chaplains heroically and calmly moved about the deck, encouraging the men and assisting them to abandon ship; after the available supply of life jackets was exhausted, they gave up their own; they remained aboard ship and went down with it, offering words of encouragement and prayers to the last.” This resolution would memorialize Governor Andrew M. Cuomo to proclaim February 3, 2017, as Four Chaplains Day in the State of New York.

Guest speakers included Char Marx from Clear Path for Veterans; Corliss Dennis, Director of Onondaga County Veterans Services; and Jordanna Mallach, Special Programs Coordinator (including the job of the Women Veterans Coordinator) for the New York State Division of Veterans’ Affairs.
