## Testimony for the 2024 NEW YORK STATE EXECUTIVE BUDGET for HEALTH AND MENTAL HYGIENE

My name is Katherine Roman, LMSW and I work at Sanctuary for Families in the Clinical Department as a Clinical Supervisor . I am also a member of

I am grateful to the Governor and legislature for the increased attention to the mental health needs of New Yorkers and the shortage of therapists to care for them. Our treatment team is interdisciplinary and includes social workers, case managers, and NYS licensed mental health practitioners including LCATs (Licensed Creative Arts Therapists) We currently employ 3 Licensed Creative Arts Therapists who work on the front lines of our mental health crisis.

I am submitting this testimony on behalf of myself and our organization due to urgent concern that the proposed Health and Mental Hygiene Bill Part Q be amended to include LCATs who are currently providing front line mental health care to many of our most vulnerable New Yorkers. There is a great need and we have heard that there are not enough providers working with Medicaid consumers. LCATs have experience with this population and can immediately help close the gap in care.

**Excluding nearly 2000 licensed providers undermines the state's ability to solve the current crisis.** We at Sanctuary for Families deeply value the front line psychotherapy services our LCATs provide to our clients, many of whom struggle with PTSD and other mental illnesses.

LCATs have specialized skills and training in providing psychotherapy to those who are not effectively served by talk therapy methods. This includes people from different cultures, non-English speakers, BIPOC, and LGBTQI+ communities. Creative arts therapists are often the first responders after events of unspeakable traumas like mass violence and natural disasters, in working with young children exposed to violence and abuse, and with youth and adults, including veterans who have PTSD.

**Please include these highly qualified, highly effective existing mental health professionals in this very important bill.**

Best Regards,
