

CUNY response to legislator questions

Dear Chair Weinstein:

Thank you for providing the opportunity for CUNY to testify before the Higher Education budget hearing on February 8th, 2024. During the hearing, there were a few follow up items that were requested. Please see below and feel free to reach out if you have any additional questions.

1. Senator Liz Krueger asked for Executive Salaries:

- All of CUNY Salaries can be seen online at - <https://www.seethroughny.net/payrolls>

2. Senator Stavisky wanted to know if our out of state students increased?

- Below is the 10-year enrollment trend of nonresident students. It declined a bit in terms of N since the start of the pandemic but remained stable in terms of % of total enrollment (4.6% in fall 2019 to 5.0% in fall 2022, not shown).

- We attract new presidents through nation-wide searches, far reaching ads and by soliciting nominations from a wide array of individuals. Our recruitment documents highlight CUNY's mission, the opportunity to be part of the nation's leading urban public university system and the transformational role CUNY plays in the lives of its students and its economic impact in New York City, New York State and beyond.
 - **Current Presidential Searches:**

- Bronx Community College
- CUNY Graduate Center
- Kingsborough Community College
- York College
