NOTICE OF PUBLIC HEARING
ORAL TESTIMONY BY INVITATION ONLY

SUBJECT: Services for Victims of Human Trafficking

PURPOSE: To review available services for victims of human trafficking.

**Wednesday, June 7, 2017
11:00 am
Roosevelt Hearing Room C
Legislative Office Building, 2nd Floor
Albany, NY 12247**

Human trafficking is major problem in New York State as well as nationally. In 2015 New York State enacted the Trafficking Victims Protection and Justice Act which aimed in part to improve the State's awareness and treatment of human trafficking victims. In addition the Assembly has passed legislation that would make services for trafficking victims more accessible and require law enforcement personnel who encounter a victim to advise him or her about the availability of assistance through legal and social service providers. The Assembly would like to examine the effects such legislation has had on current service delivery models and gain a better understanding of the additional programs and services that may be needed to better address the complex needs of trafficking victims.

Persons invited to present testimony to the Committees at the above hearing should complete and return the enclosed reply form as soon as possible. It is important that the reply form be fully completed and returned so that persons may be notified in the event of emergency postponement or cancellation.

Oral testimony will be limited to 10 minutes. In preparing the order of witnesses, the Committees will attempt to accommodate individual requests to speak at particular times in view of special circumstances. These requests should be made on the attached reply form or communicated to Committee staff as early as possible. In the absence of a request, witnesses will be scheduled in the order in which reply forms are postmarked.

Ten copies of any prepared testimony should be submitted at the hearing registration desk. The Committee would appreciate advance receipt of prepared statements.

In order to meet the needs of those who may have a disability, the Assembly, in accordance with its policy of non-discrimination on the basis of disability, as well as the 1990 Americans with Disabilities Act (ADA), has made its facilities and services available to all individuals with disabilities. For individuals with disabilities, accommodations will be provided, upon reasonable request, to afford such individuals access and admission to Assembly facilities and activities.
