Legislative Office Building

Although the unemployment rate for veterans who served on active duty post September 2001, has declined according to the U.S Bureau of Labor Statistics (March 22, 2018 report), a number of these veterans remain unemployed or underemployed. The purpose of this hearing is to review the effectiveness of veterans employment programs in addressing the difficulty some veterans have in transitioning military skills and experience into a marketable job in the civilian economy.

Persons wishing to present pertinent testimony to the Committee at the above hearing should complete and return the enclosed reply form as soon as possible. It is important that the reply form be fully completed and returned so that persons may be notified in the event of emergency postponement or cancellation.

Oral testimony will be limited to 10 minutes’ duration. In preparing the order of witnesses, the Committee will attempt to accommodate individual requests to speak at particular times in view of special circumstances. These requests should be made on the attached reply form or communicated to Committee staff as early as possible.

Ten copies of any prepared testimony should be submitted at the hearing registration desk. The Committee would appreciate advance receipt of prepared statements.

In order to further publicize these hearings, please inform interested parties and organizations of the Committee’s interest in hearing testimony from all sources.
