Legislative Office Building, Hearing Room C

The 2018-2019 State Budget reauthorized NYSERDA to be reimbursed from an assessment on gas and electric corporations for expenditures related to its energy research, development & demonstration and energy policy & planning programs. The purpose of this hearing is to review the Authority's implementation of these programs, including opportunities related to energy storage.

Persons wishing to present pertinent testimony to the Committee at the above hearing should complete and return the enclosed reply form as soon as possible. It is important that the reply form be fully completed and returned so that persons may be notified in the event of emergency postponement or cancellation.

Oral testimony will be limited to ten minutes' duration. In preparing the order of witnesses, the Committee will attempt to accommodate individual requests to speak at particular times in view of special circumstances. These requests should be made on the attached reply form or communicated to Committee staff as early as possible.

Fifteen copies of any prepared testimony should be submitted at the hearing registration desk. The Committee would appreciate advance receipt of prepared statements. In order to further publicize these hearings, please inform interested parties and organizations of the Committee's interest in hearing testimony from all sources.

In order to meet the needs of those with a disability, the Legislature, in accordance with its policy of non-discrimination on the basis of disability, as well as the 1990 Americans with Disabilities Act (ADA), has made its facilities and services available to all individuals with disabilities. For individuals with disabilities, accommodations will be provided, upon reasonable request, to afford such individuals access and admission to legislative facilities and activities.
